## EXPLORER SERIES: STATE OF THE UNION

Denver Union Station is the largest transportation redevelopment project in North America and will transform Downtown Denver. How does the plan look today as construction begins and what's coming in the initial phases of the project? Hear the latest news on the site's transportation and public space design elements, private development parcels (including the wing buildings), and issues around FasTracks.

### Thursday, April 1, 2010

- 1:30 - 2:00 PM** - On site registration and networking
- 2:00 - 3:15 PM** - Panel presentations
- 3:30 - 5:00 PM** - Site tour of Union Station
- 5:00 PM** - Reception hosted by Kiewit at their DUS offices
- Start** - Denver Athletic Club, 1325 Glenarm Place, Denver, CO
- End** - Denver Union Station, Kiewit office, 17th & Wynkoop

*This exciting Explorer Series program begins with a panel discussion about the project at the Denver Athletic Club and a showing of the trailer for the new movie, Union Station: Portal to Progress. After a mall shuttle ride to Union Station, explore the site with project experts and conclude with a hosted reception inside the historic station.*

### Panelists / Tour Presenters include:

- Phillip Washington - General Manager - Regional Transportation District
- Tom Gougeon - President - Union Station Neighborhood Co.
- Bill Mosher - Owner's Representative - Denver Union Station Project Authority
- Kristopher Takacs - Associate Director - Skidmore, Owings & Merrill
- Frank Cannon - Development Director - Union Station Neighborhood Co.
- Sarah Brown - Principal - Semple Brown Design
- Dana Crawford - Principal - Urban Neighborhoods, Inc.
